Reynolds Campus Center  
Wellesley, MA

The new campus center is home to student retail ventures, the campus store, sidewalk delis and cafes, student mailroom, international reading room, meeting rooms and student activities offices. A bustling daylight interior street was created parallel to the major campus path bringing the life of the campus into the building. The Campus Center also contains an award-winning 450-seat Theater with wraparound balconies and side loge box seating. (39,000 s.f.)
