Babson College
Glavin Family Chapel
Wellesley, MA

A 40-foot high space provides a nondenominational sanctuary for gatherings of 150 people. Two solid walls of granite face towards the busy campus center, while two walls of glass open the sanctuary toward the light-filled wooded area beyond. (5,000 s.f.)

2003 Higher Education Facilities Design Award, Boston Society of Architects; 2002 Award for Interior Design, Boston Society of Architects; 2001 Award for Design, Boston Society of Architects; 2001 Honor Award in Architecture, New England Chapter, AIA; 2001 Religious Art and Architecture Design Award, Faith & Form Magazine
