Napa Pipe

Redevelopment

Campus Housing

New Town on the Napa River
Napa, CA

Master Planning and early design of 3000+ units of mixed-type housing for this 157-acre development, including town house and mid-rise (4-7 story) configurations facing the Napa River. Open spaces, including a vibrant town center surrounded by restaurant, retail, and housing uses, are mixed throughout the development, encouraging views of both the Napa River and the surrounding Napa Valley hills.
