Northeastern University
Residence Hall, Classroom Building and
Cultural Center
Boston, MA

This mixed-use building includes three major uses: a Residence Hall with 230 beds, a Classroom Building with 7 general-use classrooms and a 270-seat auditorium, and the John D. O'Bryant Center for African-American Studies. It is the sixth and final building that our office has designed for Northeastern University's new West Campus. (141,000 s.f.; 230 beds)
